**Adirondack Craft Festival Committee**

November 30, 2017

Dear Vendor:

For many years, St. James' Church has held a Spring Fair that included craft vendors and collectible or vintage vendors. For 2018, we are initiating a change. The event will be held Saturday, June 30, Sunday, July 1 and Monday, July 2. Priority will be given to Adirondack artists and hand-crafted items. Donations for this three-day event will be \$175.00 for a 12'x12' space.

Please read the rules of our agreement before you sign and return it to us with a donation to reserve your space. Some of the rules are different from past years.

Following is some additional information:

- Limited parking for loading/unloading will be available in the Church parking lot. Vendors will be able to purchase a permit for street parking for \$5.00/day.
- Vendors must have a seasonal permit from the Village of Lake George.
- All vendors must have white tents that can be secured on all four sides during closed hours.
- St. James' will be the only food vendor; we will be selling food and beverages throughout the Festival.
- Official hours for the Festival are: **Sat. June 30, 9:00-6:00, Sun. July 1, 12:00-6:00, Mon. July 2, 9:00-6:00. Vendors may set up tents on Fri. June 29, after 12:00.** Please note - there is no security provided during closed hours.
- Vendors must plan to stay for 3 days of event. Closing or packing up early hurts everyone.

**Those wishing to attend, please submit application for review with photos of items for sale and two photos of setup. Photos can be submitted by email to [office.stjameslg@gmail.com](mailto:office.stjameslg@gmail.com). Vendors with Adirondack theme and/or family oriented items will take priority.**

**Please note – Jewelry category is full.**

**Sign and return General Agreement form with check by June 1, 2018.** Make checks payable to: St. James' Episcopal Church

Please return General Agreement form to:
